

## Enchantment Arts And Crafts

P.O. Bx. 13762 Albq. NM 87192  
505-263-6193

Dear Vendor,

I want to tell you about a fantastic new space that has come available to us! The Classic Century Square Building is a unique three story, all glass fronted brick building with a expansive atrium and retro staircase that has been a symbol of the 50's and 60's architectural style and is still a draw to many that identify with that era and the young who admire the "cool" building. The building has become a real landmark in Albuquerque and will continue to be for generations to come. It is on the Corner of Central & Madison in the Nob Hill area, we will be on the 3<sup>rd</sup> floor. There will be local musicians providing entertainment and a refreshment stand is available, adding to the fun atmosphere of the show! Our next show will be **MARCH 7,8** there will be a Show on the 1<sup>st</sup> weekend of every month here after, except April, that lands on Easter Sunday and we'll be closed so were moving that show to March 28,29 then back to the 1<sup>st</sup> weekend of every month ( May 2,3 June 6,7 ect...)

We do have space available, the traffic is getting better. This will be our 4th Show and I think the word is getting out there. We could use the support on building this Show. It will be great to have a spot, to come to every month, out of the weather, so your customers know where they can find you without the overhead of a storefront, it just may take sometime to get the traffic we all want, but let do it! Lets make this a success!

Additional info:

- \* Were putting it on the major TV stations websites ,weekly and monthly newspapers, tons of flyers, signage on street that week, Banners on Building, craigslist, social media, anything else we can afford. We really want this to be a success! The building already has a shopping mall on the bottom floor and the 2nd floor is consignment furniture, so people are used to coming here to shop.
- \* Location is on 4616 Central, corner of Central & Madison in upper Nob Hill area
- \* There is a freight elevator for vendor use.
- \* The price is for both days.
- \* Tables are available to rent

We will do our best to make this fun, unique and profitable to us all. We look forward to working with you! Please feel free to contact me with any questions and concerns.
